Government
Nonprofit

CHRIS HAGOOD, WORKPLACE ANALYTICS CONSULTANT, partners with government, nonprofit and for-profit organizations to improve business results through analytics-based organizational strategies. Chris helps leaders discover and use analytics to re-engineer their performance management and create highly engaged and high-performing workplaces.

Before joining Gallup, Chris held business development and operational management roles within the nonprofit and private sectors. His experience spans from early-stage startups to large enterprise organizations.

Chris earned his bachelor's degree in business management with a concentration in legal studies and his master's in business administration from Mount St. Mary's University in Maryland.

As a Gallup-Certified Strengths Coach, Chris is an active member of the global CliftonStrengths community. He is committed to creating a local network for strengths coaches and enthusiasts in the Washington, D.C., area.
